## Obituary

Columbus M. Freeman, aged 86 years, 4 months and 15 days, passed away Monday after a long illness at his home in the Olathe neighborhood. Rev. C. V. Ashworth conducted the funeral service before a large concourse of relatives and friends at the Prairie Hollow church at 3 p. m. Tuesday, using as a text 11 Timothy 4:6-7: "For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith." This text was used in accordance with a request made by Mr. Freeman some time previous to his death. For 65 years he had lived a consistent Christian life, being a member of the Wolf Creek Primitive Baptist Church. The above text was the one used by request at the funeral of Mr. Freeman's father and of his grandmother. Interment took place at the Prairie Hollow cemetery. Mr. Freeman had been a resident of this community for about half a century, and was one of our best known and most highly respected citizens.

Mr. Freeman was born May 17, 1830, in Tennessee. Oct. 12, 1851, he was married to Mary P. Felts, to which union was born one child, Nancy A. Freeman Nov. 1, 1857; he was married to Martha Whitaker, to which union were born nine children: S. H. Freeman, A. B. Freeman, W. C. Freeman, J. M. Freeman, Polly A. Letsinger, M. J. Freeman, W. A. Freeman, Susan Baker and S. F. Freeman. June 9, 1879, he was married to Betsy A. Giles, to which union were born four children: Henry C. Freeman, Melvina Dunlap, Maggie E. Norcross and Laura Freeman. In 1888 he was married to Lizzie Letsinger, to which union was born one son, Ben W. Freeman.

He is survived by his widow and seven children—Polly A. Letsinger, W. A. Freeman, Susan Baker, Melvina Dunlap, Maggie E. Norcross, Laura Freeman and Ben W. Freeman—besides many other relatives and hosts of hosts of friends.

He was a kind and loving father, good to his family, and an up-right Christian citizen. He has gone to his reward and by the grace of God his loved ones hope to meet him in that land where there will be no more parting and no more tears shed.

Card of Thanks.—We wish to extend our heartfelt thanks to our neighbors and friends for their help and kindness during the sickness and at the death of our beloved husband and father—Mrs. C. M. Freeman and Children.

Left-Overs

Church at the Chapel every third Sunday by Rev. Luke Marler. PEGGY SHORT

MR. HUGHES HAS EXPLODED THE "KEPT-US-OUT-OF-WAR" ARGUMENT.

Mr. Hughes' attack upon the "kept-us-out-of-war" argument has aroused a story of enthusiasm.

"Kept us out of war?" he demands. "Why, there were nineteen men—good American soldiers, shot down at Vera Cruz, and many Mexicans were killed by our men. That was war. Moreover, it was a very ignoble war. I have heard three explanations of the Vera Cruz move.

"First, it was explained that it was made in order to compel somebody to salute the flag—somebody who had insulted us. But the flag was not saluted and has not been to this day. Then it was said that the salute was not what we sought, but to prevent the landing of a bottled-up ammunition intended for Huerta. The ammunition, landed, however, and it has been shown that it reached Huerta in due season without interference on our part.

"When that reason was shown to be untenable, a third one—and possibly the real one—finally was advanced. It was said that our seizure of Vera Cruz was a move to compel the retirement of Huerta. It seems possible that this is true, although we had promised the Mexicans that we would not interfere in their affairs and told them more than once that we wanted them to handle their own affairs.

"That is why the Mexicans could not understand us and that is why they show little faith in our promises."

You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.—Adv.

Something Different

Special, novel acts are to be given absolutely free on the street for the entertainment of visitors to the annual street fair at Mansfield. Among the interesting attractions is the world famous knife throwing act of the Zat Zams, an act that has been shown in almost every civilized and semi-civilized country during their trips around the world, was the act commanded to appear a second time before the late King Edward of England, because he appreciated the fact that the rulers of Ancient Aztec had appreciated the same skill in their day, and having inherited the keen sense of sound developed by his ancestors, Zat Zams, while blindfolded throws knives through a paper screen all around the little lady, he being guided by the sound as she taps on the board beside her.

In addition, the Zat Zams present an act in which the little lady is suspended in midair, a mysterious exhibition of muscular development showing the human ability to defy the laws of gravitation; an act sometimes known as a hypnotic illusion; an act requiring great concentration of mind and skill of muscle.

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere.—Adv.
